On Saturday, three ants went to the marina to wait for their friend, Little Black Ant. They were meeting to go on a fishing trip.

Little Black Ant was not there!  
Where could he be?

Each friend remembered that Little Black Ant had come to talk to them about a fishing trip.

Large Red Ant said that Little Black Ant came to his house last week. They sat under a taro leaf.

They talked and planned to meet on Saturday to go on a fishing trip.

Red Stinging Ant said that Little Black Ant came to see him last week. They sat under a lemon leaf.

They talked and planned to meet on Saturday to go on a fishing trip.

Small Brown Ant said that Little Black Ant had come to visit him last week. They sat under a wild taro leaf.

They talked and planned to meet on Saturday to go on a fishing trip.

On Saturday, Little Black Ant was fast asleep.

He was tired because he had walked a lot last week. He curled up on a leaf and feel asleep.

He was fast asleep. He did not hear anything.

He did not hear the dog chasing the cat nearby.

The cat and the dog came closer.  
The noise finally woke him up.

Little Black Ant woke up and realized he was late for the fishing trip!

He hurried to the marina.

What will he tell his friends?
